The Contest entry period begins on September 15, 2017, and ends on October 15, 2017, at 11:59 pm EST (the “Entry Deadline”). All entries received after the Entry Deadline will be ineligible to be judged as part of the Contest.

WHO MAY ENTER

Participants in the contest must meet the following criteria as of the date of the first entry made by such participant: (1) they must be Members of ASMP; (2) who are at least 18-years old; and (3) in the case of Members residing in jurisdictions with an age of majority greater than 18-years old, have reached such Member’s jurisdiction’s age of majority. ASMP National Board Members are prohibited from participating.

CONTEST IS VOID WHERE PROHIBITED.

HOW TO ENTER

All entries must be made online via the entry website and should be suitable for printing in The Bulletin magazine. The preferred size is 2000px on the shortest edge @ 300 dpi jpeg with either Adobe 1998, sRGB or Untagged color profiles for color pictures, Gamma 2.2 for black and white. CMYK will not be accepted. Photographers can enter as many times as they wish.

To be valid, an Entry must consist of (1) either (i) a single photograph, or (ii) a series of photographs that together constitute a single work (regardless of whether a single photograph or a series is entered, the entered work will be referred to as the “Photograph”), and (2) completed data fields (combined, an “Entry”). The Photograph must not show the name of the photographer, agency, or publication, or any other information about the entrant (these details can be included in the metadata of the Photograph but must not be visible on the Photograph itself). All pictures must have accurate captions, written in English only, and contain all required information.

The Photograph, in its entirety, must be a single work of original material taken by the Contest entrant. By entering the Contest, entrant represents, acknowledges, and warrants that he or she has full power and authority to enter the Photograph in the Contest, and that entering the Photograph in the Contest does not infringe any copyright or violate any other intellectual property rights. The entrant agrees to indemnify ASMP from all third-party claims arising from the Entry.

Photographs that depict sculptures, statues, paintings, or other works of art will be accepted as long as they do not constitute copyright infringement or fraud, provided that entrants must be prepared to provide a release form as described below in the "Third Party Releases/Licenses" Section. When photographing the work of others, it must be as an object in its environment and not a full-frame close-up of another person's work.

If the Photograph depicts people other than the entrant, the entrant must be prepared to provide a signed written personal release from all persons who appear in the Photograph submitted, authorizing use of the Photograph as provided below in "Third Party Releases/Licenses" Section. If an entrant is unable to provide a personal release from each person who appears in the Entry's Photograph upon request by Sponsor and in the form provided by Sponsor, then the Entry may be disqualified. Entrants do not need to send releases with your entry. The Sponsor will contact an entrant if a model release is needed.

The Entries will be judged in accordance with the Judging Criteria, as defined below. The Photograph must not, in the sole and unfettered discretion of the Sponsors, contain obscene, provocative, defamatory, sexually explicit, or otherwise objectionable or inappropriate content. Photographs deemed inappropriate will be disqualified.

Online entries must be made by the authorized account holder of the e-mail address submitted at the time of entry.
